

Beyond 'Manners' – the next step!

4 weeks and 4 different experiences!

Take the training skills you already have and build on them with this fun, creative and rewarding course for you and your canine companion!

- Week 1 **Advanced Pet Dog Manners** – Practice and progress your general obedience and training skills, (including sits, drops, stays, recall), with the addition of distractions, movement and linking different skills together.
- Week 2 **Street Walk** – We take a walk through the streets and spend some time in the local park...using the skills practiced in Week 1, including loose lead walking, control with distractions, recalls and so on.
- Week 3 **Clicker Training and Tricks** – Get an understanding of an alternative and fun training method and train your dog to beg, roll over, do a High 5 and loads more...just for fun!!
- Week 4 **Agility** - We'll have your dog leaping over jumps, racing through tunnels and jumping through hoops in no time!
